

Gayatri is an Associate in the Public Policy team at Prosus, one of the largest technology investors in the world. Prior to this, she worked with PRS Legislative Research where she advised over 700 legislators on policy issues focused on the health, education, and public finance sectors. She graduated with a business degree from Shaheed Sukhdev College of Business Studies, University of Delhi, and during her time in college, she co-founded a not-for-profit venture focused on increasing digital literacy in rural India and providing employment opportunities to women by setting up 6 ICT labs in villages across Haryana & Uttar Pradesh, impacting over 15K people and making 750 students digitally literate.
