

Dr. Sonam Vimadalal

M.B.B.S, D.D.V.L

Dr. Sonam Vimadalal is a practicing Dermatologist from Mumbai, India. She completed her post-graduation from Pune and has been working in Mumbai for the past 8 years. She specializes in procedural and cosmetic dermatology as well as clinical dermatology, especially the impact of endocrinology, nutrition and lifestyle in skin and hair health and holistic healing. Her strengths are recognizing patient profile and addressing problems with counselling and conversational skills. She believes that skin issues are never just skin deep but rather a reflection of the internal working system.

She is passionate about imparting medical education and awareness pertaining to skincare and self care and making it as available and attainable as possible.

She also specialises in hair issues and cosmetic and aesthetic treatments such as scar revision, facial rejuvenation, chemical peels, lasers, platelet Rich Plasma therapy, vampire facials, mesotherapy, botox, threads and radiofrequency treatments.
